

Now you can give online

EVERY Christmas, charities help thousands of Australian children who would otherwise go without.

They rely on the generosity of the community so these children can be included in the spirit of the festive season.

This year, Simply Giving (www.simplygiving.com.au) has teamed up with popular charities to allow donors to purchase appropriate gifts online for those who need them most.

Simply Giving brings convenience, efficiency, cost-savings and appropriateness to the giving process this Christmas.

Donors can buy a gift online for their chosen charity and Simply Giving will deliver the gifts directly to the charity to distribute to those the gift is meant for.

With Simply Giving you can relax and donate online with ease and convenience.

"Simply Giving gives charities the choice of which products are the most appropriate for people to donate," Terry Evian, a Simply Giving founder, said.

"Last year 5,000 toys were donated and this year the aim is

for 20,000 toys to be donated.

"This ensures that those who receive the gift get something suitable for their needs.

"Using Simply Giving also cuts down associated costs for charities to set up gift-sorting operations each Christmas, allowing them to focus on those in need."

You can choose to donate

your gift to numerous charities, such as The Smith Family, Mission Australia, Variety, Barnardos, The Salvation Army, Anglicare, The Starlight Children's Foundation, OzChild and the Benevolent Society.
